Office of School Support Services

DATE: March 3, 2014

SUBJECT: **Women, Infants, and Children (WIC) Information and the Child and Adult Care Food Program**

ACTION: **Utilize WIC materials to notify participants of WIC benefits**

Child and Adult Care Food Program (CACFP) federal regulations 7 CFR 226(r) require that the Michigan Department of Education's (MDE) CACFP must provide information on the importance and benefits of the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) and WIC income eligibility guidelines to participating institutions to post or distribute to enrolled participants.

The following materials are attached: [Did you know poster](#), [Michigan WIC Clinic Locations by County](#), and the [WIC Agency List](#). For more information on WIC and to locate a local WIC agency, call 1-800-26-BIRTH or access on-line information at www.michigan.gov/wic.

WIC information, including the link to the WIC website, has been added to the Dear Parent/Guardian letter that accompanies the Household Income Eligibility Statement (HIES). The HIES form is available on the CACFP website at www.michigan.gov/cacfp, under Independent Centers and Sponsors of Centers, Forms and Instructions.

You are required to distribute WIC information to enrolled participants by either posting the attached WIC poster at each site or distributing the attached information to parents. MDE will verify on administrative reviews that you are notifying parents or guardians about the WIC program and its benefits.
